Local benefits.
Real connections.
See it all happen.

A worthwhile weekly benefit. A welcoming neighborhood store. A system that follows through, even when something goes wrong.

[Open demo](#) →

Founder access required - No real tests or commitments.

Open the demo - continued

Go to pilot.upticklocal.com and choose Open demo. If asked, use the founder key in your private access file. Keep the same browser for the entire rehearsal.

01 - THE MEMBER

A better week starts here.

Enter as a sample member, discover a backed benefit, and claim your pass.

02 - THE STORE

Simple at the counter.

Use the staff QR, record a digital redemption, and see the saved result.

03 - THE FOLLOW-THROUGH

Make things right.

Report a sample stockout and provide a backed recovery. Reset and repeat.

UPTICK LOCAL

Sample data is a demonstration, not traction. Digital redemption is not proof of physical fulfillment.

Let's take a look →

RESULTS

What actually happened?

A small evidence record for Program and organic supply, without member identities or shopping history.

BACKED PLACEMENTS ISSUED

1

Recorded member-week placements.

BENEFITS CLAIMED

1

Members who saved an issued benefit.

RECORDED REDEMPTIONS

1

Completed redemption records.

EVIDENCE BOUNDARY

Useful results, stated carefully.

Issued means a backed placement record. A claim is a saved benefit. A redemption records use of a store credential; it does not prove a purchase, physical handoff or incremental sales.

WEEK OF SEP 14, 2026

One free 12 oz coffee

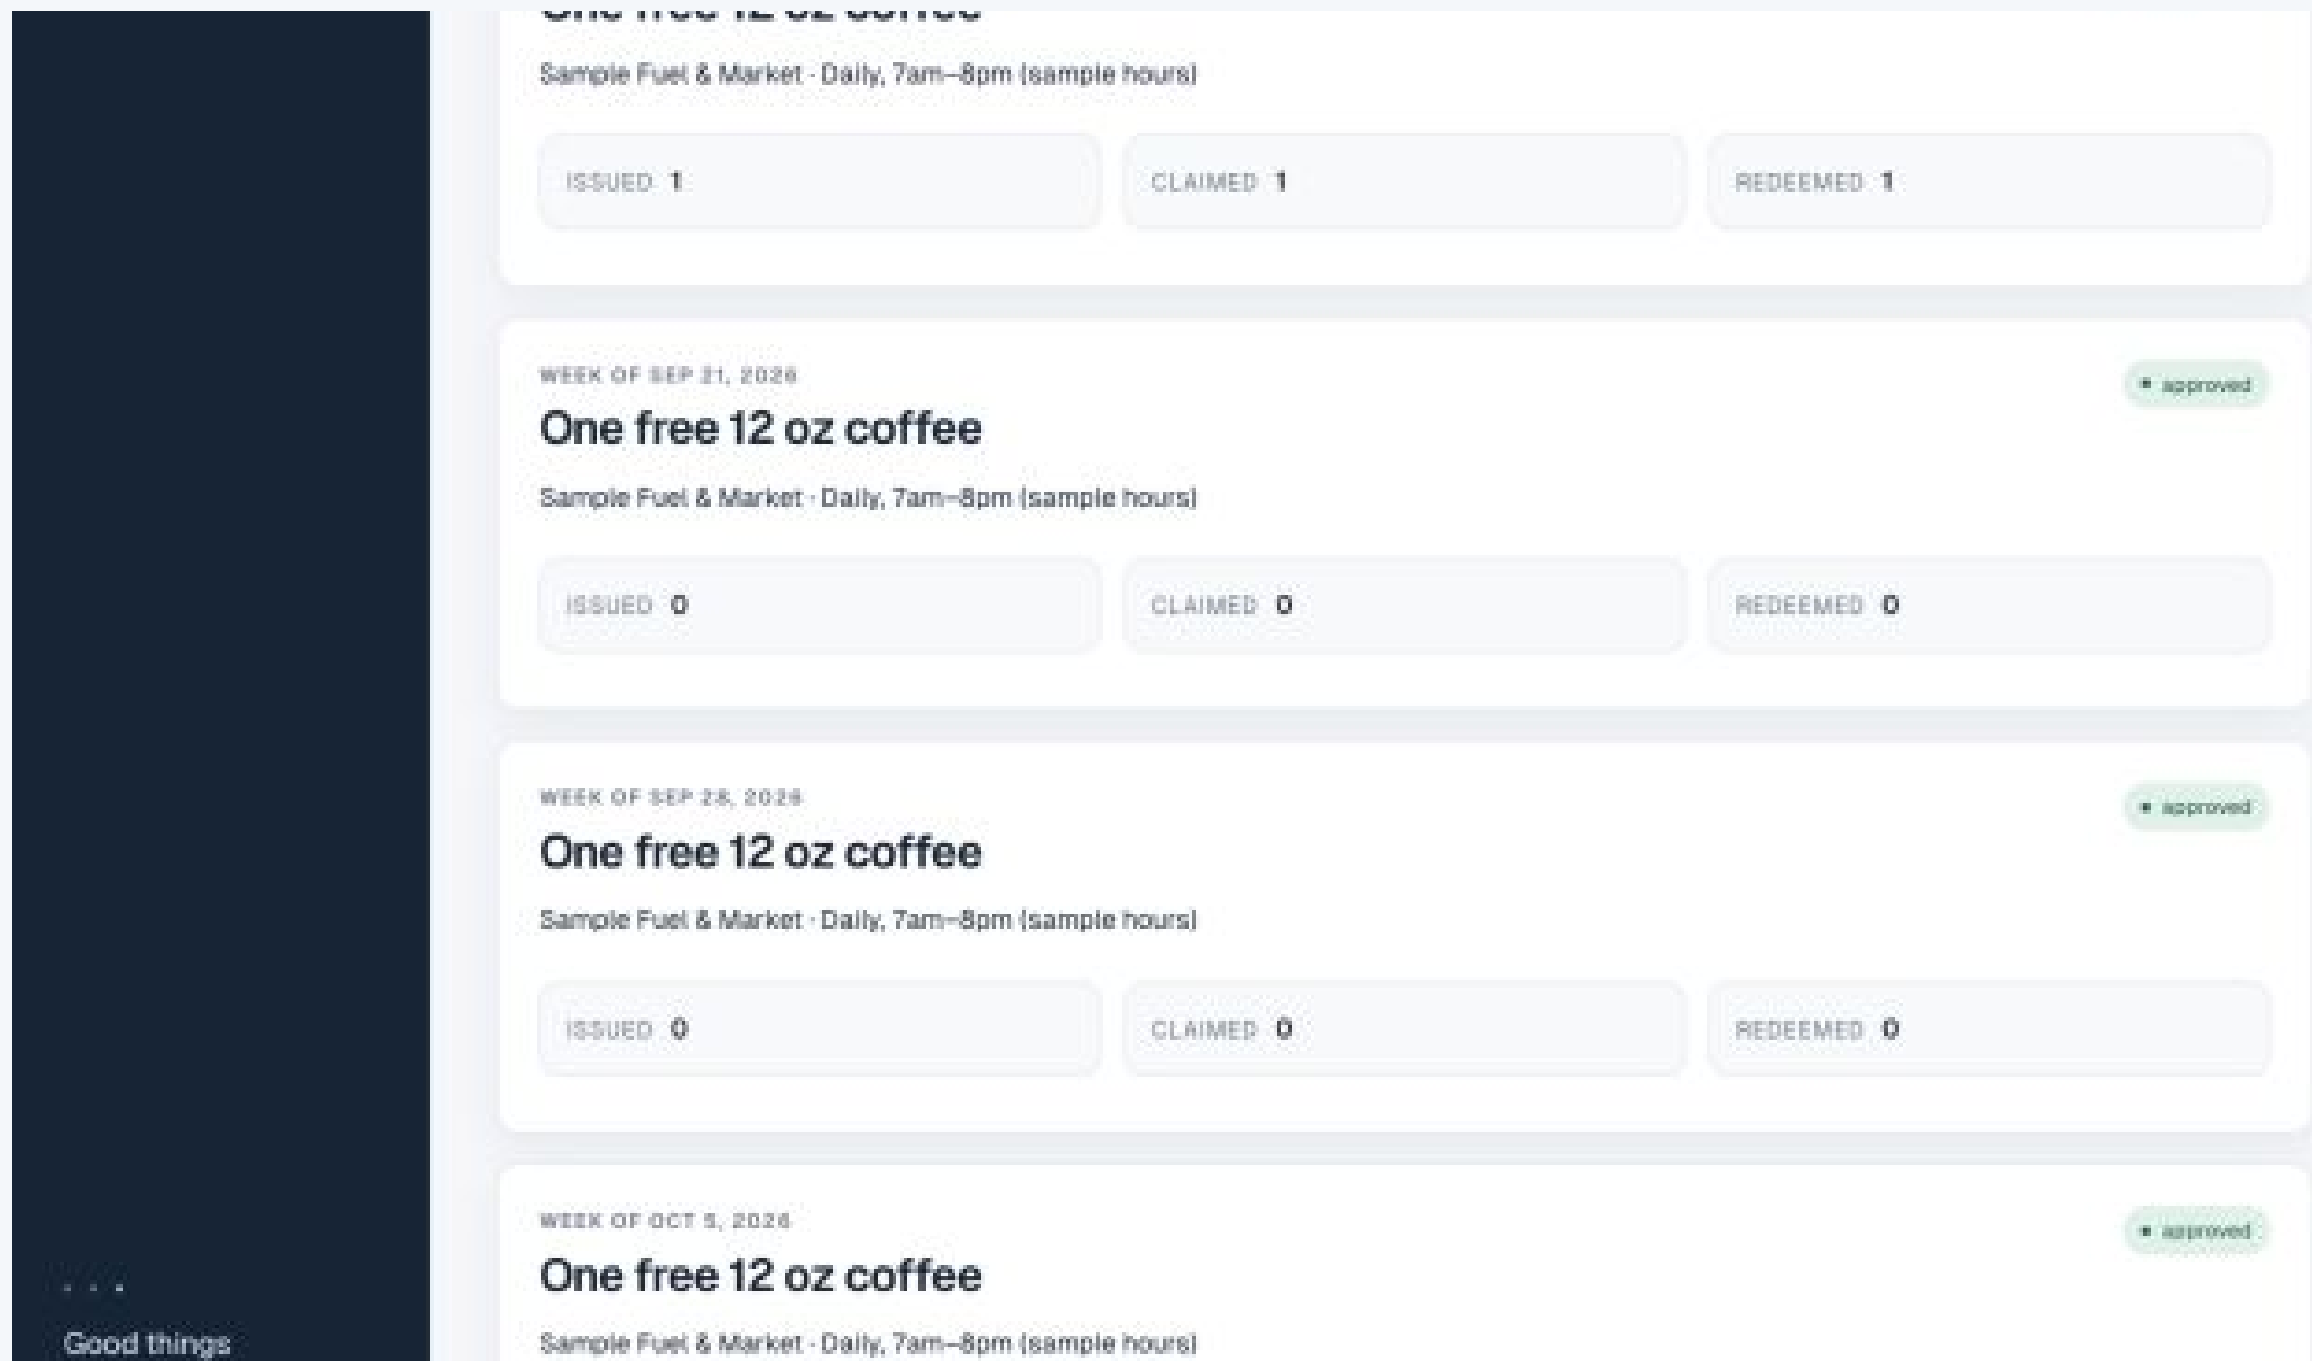

approved
